

Twin City Black History Association

Committee Member Agreement

As a committee member of the **Twin City Black History Association (TCBHA)**, I am fully committed and dedicated to the mission and have pledged to carry out this mission. I understand that my duties and responsibilities include the following:

1. To participate in the work of the organization as guided by the policies that guide the organization, and its work.
2. To be familiar with the various organizational priorities and initiatives, including its public activities and other initiatives.
3. To recognize that I serve on the Committee as a team member to support the efforts set forth by the Board and Chairperson of each Committee I serve on.
4. I will actively engage in fund-raising for this organization in whatever ways are best suited. These may include approved individual solicitation, undertaking special events and projects, writing mail appeals, and the like. I am making a good faith agreement to do my best to support TCBHA in making a difference in our communities and to raise as much money as I can to support the Board's efforts.
5. To respect, listen, and treat courteously all people involved with the organization. I recognize that the organization exists to serve and strengthen its community and that volunteers, members, and supporters are partners with the Board in fulfilling its mission.
6. During our FY, (July through June) meeting will be scheduled and set forth by the Chairperson leading the work of specific initiative or program. I commit to the work of the Committee and of the organization and any extra effort that may be required in relation to fundraising events or other special activities.
7. To attend Committee meetings regularly. I understand that I am expected to attend meetings as set forth by the Chairperson.
8. I agree to serve on at least one committee. If I am unable to meet my obligations as a committee member, I will offer my resignation.
9. In signing this document, I understand that no quotas are being set, that no rigid standards of measurement and achievement are being formed. Every Committee member is making a statement of faith about every other Committee member. We trust each other to carry out the above agreements to the best of our ability.
